

**Albertville Friendly City Days – City Wide Garage Sale
Wednesday, June 7 - Saturday, June 10**

The Albertville City Wide Garage Sale will kick off the annual **Friendly City Days**.

It's 2023! This year we will be continuing our digital garage sale map, allowing shoppers to **scan a QR code and carry the interactive sale map on their phones!** It was **incredibly popular last year**. The QR code will be more available! In addition, we will also increase our advertising, as the new technology will allow us to advertise in more papers. Many of our signs and posters will carry the map's QR codes. More postings = MORE shoppers at YOUR sale!

Garage sales run June 7–10. You can pick any number of days or run your sale or all four days. Sale hours generally run from 8:00 a.m. until 5:00 p.m., but you may choose to run your sale longer if you wish. It is better to Open each day even if you close earlier than 5. Anyone in the Albertville region is invited to participate.

**If you are considering having a garage sale this summer, this is the week to have it!
Start sorting your garage sale items now!**
